Terva Site Overview

Everything we offer on the Site is referred to in these Terms of Use collectively as the “Services”. Some of what is on the Site is viewable without registering with us, but to actively participate or store your information, you must register as a User and authorize the use and disclosure of your personal and legal information for purposes of allowing us to provide the Services as disclosed in our Privacy Policy.

Terva is an online platform that connects farmland buyers and sellers with each other, with professional services and with farmland real estate data. Terva does this by selling subscriptions to allow access to data of farmland brokers, investors, farmers and landowners. This data may include past and current land sales, soil data, and landowner information, among other data. Terva also allows, for a one-time fee, an online listing and marketing service for landowners to market their land for sale or rent. Terva allows professional services to advertise their services through this site to a geographic-specific location. Terva is also an online marketplace that connects people to aid in the farmland transaction process.

No Representation of Outcome

Terva does not guarantee that Users will find farmland through its system. Terva offers no opinion nor does it take a position on when or if a contract or agreement has been formed between Users. To provide a high quality platform for Users, Terva does not get involved in the agreements between Users, so we cannot ensure the completion of agreements between the Users or the integrity of either party. The User is responsible for the integrity of all individuals with whom the User communicates using the Site, and not Terva itself.

Payment and Refunds

Terva offers both free and paid subscriptions. After registering for a paid Terva subscription you will be prompted for payment information and must submit a credit card as payment. The price to use our Site and Service may vary. When paying please verify that you understand the price and the terms and conditions of payment. If you are purchasing a monthly plan, please be
aware that your credit card will be charged and automatically billed on a monthly basis without additional notice to you. We reserve the right to change our monthly rates to be applied to all Users at any time; however, we will provide you with notice of the fee change.

At Terva, we want to make sure you are completely satisfied with our Service. Therefore, you may cancel your account with us at any time. A refund, however, may not be granted in all circumstances. Although we may grant refunds in most cases, we examine refunds on a case by case basis and have the sole discretion in granting or denying any refunds.
